

The 38th Chinese Control Conference

Pre-conference Workshop 4

Fully Autonomous Unmanned Aerial Systems

Speaker: Shupeng Lai, National University of Singapore, Singapore

Biography: Dr. Shupeng Lai received his B.Eng. in Electrical and Electronic Engineering from Nanyang Technological University, Singapore, in 2012, and his PhD in Electrical and Computer Engineering from National University of Singapore, in 2016. He is currently working a research fellow in the Department of Electrical and Computer Engineering, National University of Singapore.

Dr. Lai is the recipient of the Guan Zhao-Zhi Award at the 37th Chinese Control Conference, Wuhan, China, 2018. He was also a co-author of the research work won the Guan Zhao-Zhi Award at the 33rd Chinese Control Conference, Nanjing, China, 2014. His current research interest is in topics related to unmanned systems including mobile robots motion planning and control.
